PLUMBING LICENCE LEVEL TRAINING COURSES

Participation in all licence level training courses requires self-directed study and home work. Regional learners welcome!
Contact PICAC for details about remote classroom access to these courses.

CORE UNITS

These three units are required by the Victorian Building Authority (VBA) for registered plumbers who wish to seek their licence in any stream

PL

Work based risk control processes

(CPCPCM4011A – Carry out work based risk control processes)

This course provides participants with the skills and knowledge to identify workplace hazards, assess risk, determine unacceptable risk and prepare a course of action as required by plumbing contractors.

Provider RTO: 3937 Master Plumbers

5.30pm – 8.30pm

Wednesday evenings
for four weeks

Jul 18 – Aug 8

Oct 10 – Oct 31

0*

150

300

PL

Estimate and cost work

(CPCPCM4012A – Estimate and cost work)

This course provides participants with the skills and knowledge to estimate plumbing materials, labour and time requirements to complete plumbing jobs.

Provider RTO: 3937 Master Plumbers

5.30pm – 8.30pm

Tuesday evenings
for five weeks

Aug 14 – Sep 11

Oct 2 – Oct 30

0*

150

300

PL

Small business legal and risk management

(BSBSMB401 – Establish legal and risk management requirements for small business)

This course provides participants with the skill and knowledge required to identify and establish a range of business structures and to comply with the regulatory, legal, taxation and insurance requirements of establishing and running a small business.

Provider RTO: 3937 Master Plumbers

5.30pm – 8.30pm

Wednesday evenings
for ten weeks

Aug 15 – Oct 17

500

STREAM UNITS

These units are required by the Victorian Building Authority (VBA) for registered plumbers who wish to seek their licence in specific streams.

PL

Gas licence level training

(CPCPGS4011C – Design and size consumer gas installations)

This course provides participants with the skills and knowledge to design, size and document a range of consumer gas installations up to 200kPa including;

- multi storey buildings
- caravans and boats
- 2 stage LP systems.

Provider RTO: 3937 Master Plumbers

5.30pm – 8.30pm

Wednesday evenings
for 14 weeks
(including VBA assessment)

Jul 18 – Oct 24

Note: No training
Sep 26

0

275

550

PL

Water licence level training

(CPCPWT4011B – Design and size heated and cold water services)

This course provides participants with the skills and knowledge to design, size and document the layout of:

- cold, heated and tempered water services
- flushing systems
- hydrant/hose reel systems for multi storey buildings.

Provider RTO: 3937 Master Plumbers

5.30pm – 8.30pm

Thursday evenings
for 14 weeks
(including VBA assessment)

Jul 26 – Oct 25

Terms and Conditions

- An administration fee of \$50 will apply to all Category A registrations if the participant fails to attend training, in line with the cancellation policy. The fee for Type A and Type B gas appliance and Disconnect/reconnect training courses is \$200.
- Course dates and locations are subject to change.
- Eligibility for subsidised rates is at the discretion of PICAC.
- Subsidised training is only available for courses booked through PICAC.
- Course codes and titles are correct at the time of going to print. These may change due to training package enhancements.

Privacy Policy

We will not sell, distribute or lease your personal information to third parties unless we have your permission or are required by law. We will only share this information with the Registered Training Organisation undertaking your training. You may request details of personal information which we hold about you under the Data Protection Act 1998. If you would like a copy of your information please contact training@picac.vic.edu.au. If you believe that any of your information is incorrect or incomplete, please contact us immediately, at the above address.

For more information on our privacy policy please visit www.picac.vic.edu.au.

General PICAC Cancellation/Refund Policy

PICAC or the providing RTO reserves the right to cancel courses for which a full refund will be given.

Refunds will be given to students who cancel based on the following:

- Full refund when 10 or more working days' notice is given.
- A 50% refund when 4-9 days' notice is given.
- No refund will apply if less than 4 days' notice is given.
- Substitutions are acceptable but you must advise PICAC of names prior to the course commencement.

For course specific cancellation policies please contact PICAC.

Payment categories

Category A – Training participant is a fully financial PPEU member. May be registered in training course by self or employer.

Category B – Training participant is a Master Plumbers, AMCA or NFIA Association member.

Category C – Training participant is not a member of PPEU, Master Plumbers, AMCA or NFIA.

Immediate family members (wives, husbands, de-facto partners and children) of PPEU members may be eligible for discounted training programs. Contact CEPUTEC on 9356 8913 for more information. Training at PICAC is funded in whole or in part by Incolink, the construction industry's redundancy fund.

Note: Courses offered by the partner organisations and published in this schedule are provided for information only. NO payments are made to PICAC for the introduction or registration of any student in those providers courses. Applicants should contact the institution concerned and satisfy themselves that the course meets their educational needs.
